Adaptors & USB

International Adaptors are not required in our rooms as we have a universal outlet that will accept various foreign.

Babies & Children

Traveling with babies and children may mean you need a few extra things. We are here to make your stay more comfortable, so if there is anything you have forgotten or need, do let us know.

Boat Bookings

Our preferred boat company is Kai Koa. Operated by Playgrounds Wave Lodge. An 8 person boat only, ride in semi private style or hire it as a private charter. Seat tickets 6 times a day Sanur / Lembongan.

Books

We have a selection of books available if you are looking for something to read. We're also happy to do a book swap if you wish to leave one and take one.

CHECK IN / OUT TIMES

CHECK-IN IS FROM 2 PM. CHECK OUT IS 12 PM. SORRY, WE ARE UNABLE TO GUARANTEE IN ADVANCE AN EARLY CHECK-IN OR LATE CHECK-OUT IN ADVANCE DUE TO LAST MINUTE BOOKINGS.

Cleanliness

We are certified in CHSE (Cleanliness, Healthier, Safety Environment) by the Ministry of Tourism

Security

On property we have CCTV in different areas.
At night we have security that complete various checks throughout the night.

Electricity / Black Outs

Due to limited electricity on the island, blackouts may occur. There is a flashlight located in your room. We apologise for this but unfortunately it is beyond our control.

There no generator services

Energy Saving Efforts

- If Air Conditioners are left on whilst guests are not in the room, these will be turned off to save on the island's resources.
- When not in the room, please turn off any unnecessary lighting not required either inside or outside.
- Please keep doors closed if your AC is on.

Environmental Efforts

Let's do our best to minimize the negative impact on the environment.

- Use glass or recycled bottles instead of plastic.
- Use cloth bags that you can reuse instead of plastic or one-time use bags.
- Do not burn off rubbish to reduce the impact of smoke in the air.

Fireworks

They are not permitted anywhere within or around the property or at any location on the island.

Hairdryer / Iron

On the request, if you need one let us know in advance.

Housekeeping

Your room will have a daily clean. To help minimize the impact of excess water usage on the island, sheets will be changed on the 4th day of your stay. (No sheet changes for 3 night stays or less) Any towels that can be reused, please hang them up on the racks.

Laundry

There are nearby laundry facilities the staff can provide the information. Depending on the weather, there may be delays in the processing. Please launder at your own risk, and best to leave any valuable clothing for the professionals.

Mini Bar

A mini bar is not provided. We like to allow the guests to purchase from the Warungs and support the locals.

Personal Belongings + Safety Box

We recommend that any personal belongings left on the property outside of your room be supervised. This includes any surfboards, board bags. Sorry, we cannot be responsible for any items left unattended or valuables not locked in our safe. Any valuables, please keep in your room safe

Pool

Open during daylight hours only.

Smoking

The staff enjoy the fresh air. Smoking is only permitted on your balcony or patio. Smoking is not permitted on the grass area, reception, restaurant or pool. We can provide you with an ashtray for your balcony room.

Towels - Day Trip

If you are heading out for the day to the beach or for a water sport and need a towel, we are happy to provide one for you. Don't forget to bring them back to avoid the Rp150,000 purchase fee.

Water

Please consume bottled water only, not via the tap. The bottled water is from a nearby RO water plant and safe to drink. If you would like additional, you may purchase via the restaurant.

Water Savings Efforts

As mentioned in our housekeeping section, we do our best to save water on the island.

- Please turn off taps when not in use.
- Turn off taps when brushing your teeth or shaving, do not allow the water to run when not using.
- Keep baths and showers to a minimum.
- If washing your feet from the sand after the beach, try to recycle the water by using the foot stone buckets.

Tsunami Procedures

If a tsunami alarm is issued, please follow the instructions and make your way to the evacuation area located at the very top of the hill behind our property. Go up the concrete stairs and follow the signs.

- Move away from the beach immediately as a precautionary measure
- Listen to announcements from the hotel and follow the instructions.
- Members of our evacuation team will guide you to our tsunami evacuation area.
- Tsunami evacuation signs in blue also guide you to the evacuation area. Follow the arrows to the evacuation area. The green signs indicate that you have reached the evacuation area/assembly point.
- Do not carry unnecessary items.
- If not in reach of your hotel, move to higher ground and as far away from the beach as possible immediately.

Earthquake Procedures

- If you feel an earthquake, protect yourself
- Don’t panic
- Drop, cover (e.g. under a strong table) and hold on!
- Stay away from windows.
- Listen to our announcements and follow the instructions.
- After an earthquake, be aware that a tsunami warning may follow
- Strong underwater earthquakes can trigger a tsunami. If you feel an earthquake, immediately move as far away from the beach as possible and to higher ground as a precautionary measure
- Listen to our announcements and follow the instructions.
- If you are not close to our hotel, pay attention to tsunami warning sirens where available and follow the instructions of the local authorities! In some areas evacuation signs will guide you to official evacuation areas.
- If a tsunami occurs be aware that after the first wave, more waves are likely to follow
- Wait for an official “All Clear” message before leaving shelter.
